

Thursday August 27th 2026

Organised by Peter Clarke and Ross Armstrong

This month will be a little different but we have had them before, it's a Tulip Rally.

The **Tulip Rally** (Dutch: **Tulpenrallye**), First held in 1949, is the oldest [Dutch rally](#) competition and we've brought it to you as spring isn't far away.

Start point: Southwards Museum. Be there **around 9:30 am** for a coffee and biscuits. They are expecting us and you may have time to view the gorgeous Daimler Dart 250, its history is interesting.

First cars will be waved away by 10:15. So time for a chat first

The instructions are very full with intervals clearly stated between the route changes and question points. All but 2 answers are on your left, the 2 righthand ones will be noted in instructions.

It's designed to be a fun, informative run covering some 35kms/21.6 miles around the Paraparaumu/Otaihanga/Raumati area. Some nice scenery and vista points along the way. The time you spend on it will depend on your keen powers of observation and your right foot however we have allowed around 1.5 to 2 hours travel time. Yes, lots of questions.

Lunch is booked at a well-known restaurant with an excellent menu. **Please**

let me know if you are attending so we can confirm numbers for lunch by **Wednesday 19th August.**

Reply to me at email arfmq@mgcarclub.org.nz or mob: 02744388269

CU all there.

Cheers Pete and Ross
